Paradise & Wilderness

Paradise & Wilderness is an expert in safaris in Tanzania and a specialist in holidays in Zanzibar, owned by the Dutchman Bert Schoonvelde. Years ago, he came to Zanzibar for a holiday and fell in love with this magnificent place.

"Now, I am lucky enough to have three Beach Resorts and a Boutique Hotel on Zanzibar, a Safari Lodge in the Selous Game Reserve and several more Safari Lodges located near or in world's most famous national parks: Serengeti Ikoma, Serengeti Bolongonja, Lake Natron, Lake Manyara and Arusha."

This combination of culture, incredible white sand beaches and the largest wildlife sanctuaries in Africa makes Tanzania unique.

Bert Schoonvelde:
"My holidays in Tanzania were too short to get to know this magical country, so I stayed here and made my dream my job!"

Welcome to Selous Game Reserve

WELCOME TO THE BIGGEST GAME RESERVE IN AFRICA!

It's one of the largest remaining wilderness areas in Africa. The reserve is crossed by the second biggest river in Tanzania, the Rufiji River, creating a very dynamic ecosystem. Departing from Zanzibar you will fly here in less than one hour in a sturdy bush plane. The Cessna Caravan can comfortably seat 13 passengers and its build is perfect for getting you safely to the airstrip in Selous, where your safari vehicle will be waiting. Selous is home to over 350 species of birds and reptiles, the species of plants account for about 2000 species as well as a wide range of wildlife from African bush elephant, lions hippopotamus, Cape buffaloes, Masai giraffe, zebra and crocodile and everything in between. It is also one of the most important sanctuaries in Africa for the endangered African wild dog. Selous is a game reserve, resulting in a large advantage over the national parks, in the sense that you have more freedom to explore and can drive offroad. Even on busy days it is still not overpopulated. Africa Safari Selous is situated in one of the world's best safari locations. Take the opportunity to join us for an unforgettable safari experience!

Africa Safari Selous

DIRECTLY LOCATED ON THE BORDER OF THE GAME RESERVE

Africa Safari Selous is more than an accommodation site, it is a 'lodging experience' like no other you are likely to encounter. Situated just outside the Selous Game Reserve in southern Tanzania, the accommodation site is spacious with much of the original plant life preserved, promoting the environmental importance that is evident in each of the carefully constructed lodgings. The most notable accommodations are the 24 'mud bandas' which were built based on Boma's, the traditional homes of the Maasai people. Circular in shape and thatched with woven dried palm leaves, these spacious en suite rooms are traditional in appearance on the outside and made only with earth derived materials providing natural insulation from the heat. Inside they have been crafted with tiled flooring and fitted out with large wooden beds and modern bedding to provide all the necessities that come to be expected from modern day accommodations. The bandas are a perfect combination of culture and luxury and a not-to-be missed 'experience' during your visit to Selous. In addition to the featured banda bungalows, Africa Safari Selous offers several pool bungalows spaciously positioned around the on site pool. The large size of the rooms fitted out with a variety of bedding options makes them perfect for families or smaller groups of friends sharing their travel adventures together. The bathrooms in the bungalows are natural, aerated and environmentally sound, lined with bamboo they are a unique feature in themselves. And of course no Safari lodging would be complete without canvas homes – otherwise referred as 'Luxury Glamping'. The four canvas based en suite rooms are scattered throughout the bush lands of the property, providing a bush/camping feel but with the luxurious necessities of modern day travel.

Safari Activities

SAFARI GAME DRIVE

The best part of your trip
We use open four-wheel drive safari jeeps, perfectly suited for taking unobstructed pictures. The vehicles are low emission, thus less noise, and therefore we can take you close-up to the wildlife. Our English-speaking driver guide is very knowledgeable on flora and fauna and will make sure you get to see the best of Selous. They will give you as much time as you need to ask questions, take pictures and to enjoy the amazing landscape.

VILLAGE TOUR

Real life in Tanzania
During a village tour a guide will take you into a Tanzanian village to give you an inside view on what local life is about. The people are kind-hearted and always willing to welcome you. The guide will show you the school, the market, and some other places. We are sure you will enjoy this experience..

BUSHWALK

Get to know your surroundings
There is no better way to get close to nature then to stroll through it. You will be guided by our bushman and Maasai. They can tell you about almost everything – from flora and birdlife to large animals to small. Observe and learn the secrets of the African bush.

BOAT SAFARI

Welcome on board
A boat safari on the Rufiji river is a completely new experience. Our captain will take you cruising on the river for about 1,5 hours. The river teems with wildlife; crocodiles, hippo's and many birds living around the river.

TRAVEL PROPOSAL ACCORDING TO YOUR WISHES
In this brochure you will find sample holiday packages to inspire you! As Paradise & Wilderness owns the safari accommodations and executes the activities, you can modify each package to your liking and tailor make your dream holiday together with one of our travel consultants.
