Hotels · Resorts · Lodges · Camps · Safaris

1 October 2020,

Dear friends,

Let us say this year started differently from what all of us had planned. We hope you and your family made it through in good health and spirit and are ready to be welcomed to a new future.

Here in Zanzibar and Tanzania the health situation is very well monitored by the governments and the citizens are very responsible in respect to sanitizing and social distancing.

The airports are open from June 1 st and there are no restrictions for tourists.

Welcome back! Our teams have been in a self-imposed lockdown and have been helping at the same time in preparing the hotels for a new future. The rooms, restaurants, pools, and their sun decks, and receptions are compliant with regulation as set by the World Health Organisation. Our Zanzibar beach resorts, and the Tanzanian safari lodges are all spacious and provide plenty of room for social distancing. Research is being done and outcomes slowly point in the direction that a high level of humidity and high temperatures slow down the spread of the virus. The fact that Tanzania is quite warm and the high humidity on tropical Zanzibar are positive elements, as well as having many open-air public places and activities.

We are following the WHO regulations and the accommodations are ready to welcome you back!

Everything is now ready to welcome you! Think private transfers, private game drives, spacious restaurants, and staff well trained in preventive measures. We are open and welcome you back. The hotels have no restrictions only a few changes to measure the new Covid-19 standard and regulations. We are following the Standard Operation Procedures, a copy we can send you on request. Zanzibar does not request on arrival nor departure a non-corona certificate, in case you this need for your airline company or entering your home country there are facilities in Zanzibar to get this for 80\$.

We make it comfortable so you can enjoy your Holiday; upon booking a minimum of 7 nights, receive (a)

- complimentary early or late check-in - subject to availability
