Enjoy the ultimate Beach & Safari Holiday. There is no better holiday option than to combine the best of both. Start with a few days on Zanzibar and feel the relaxation set in. Let go of worries and tension whilst enjoying the pristine beaches of the exotic Island. Now that you are rested it is time for adventure and new input; travel to mainland Tanzania and be captivated by what nature has to offer. Discover one or more of Tanzania's national parks and game reserves and meet their inhabitants. Nearly half of the country (40%) is assigned to wildlife conservation, and wildlife viewing is beyond magnificent; ranging from the Wildebeest Migration, the Big Five, the big cats, the African wild dog and everything in between. Every park and reserve has its speciality! After these very exciting days, spend some more lazy days along stretches of white sandy beaches on Zanzibar. Allow time to stand still before returning to daily life.
